Dear Dad if you were here right now we'd be singing like we always did. Singing every song you taught me when i was just a kid. I believe when god created you he created a work of art. He gave you a voice from heaven and poured music in your heart. Dad I want to thank you for all you've given me. The love and kindness that you shared worth more than gold could ever be.

My Dear Daddy, You were taken way too soon from us and we miss you so much. I know you are entertaining the angels up in Heaven. Don't worry about mama. She misses you terribly but as you know she is a strong woman. Just look over her daddy. I love you and I miss you. RIP until we meet again. Your daughter Connie
