Jerry, I am so sad for your loss. I loved you and Bonnie the first day I met you guys. I think we had a special connection and it was special. Even though I live in Texas now, I think of the wonderful visits we had together Home Teaching. I am so grateful that Bonnie found the church and you two were able to go to the temple and be sealed. It's a great blessing to know that she will be with you forever despite being separated for a short while. Be strong my friend and you will find strength in the Lord. He is aware of your needs right now and He will not abandon you. Love you man!My prayers are with you, Don
