JAN 27, 1935 - FEB 10, 2017

Dorothy Ver Brugge, age 82 died peacefully on February 10, 2017.

Dorothy was born in Oklahoma City, OK on January 27, 1935. She was born to Robert Johnson, a farmer and Callie Glass. She had two sisters and one brother. Mary Johnson, May Johnson and Billy Johnson. She had a rough childhood growing up as a farmers daughter. They traveled from field to field throughout the years. She was never afraid of hard work.

If her roof needed repairing, she had no problem getting up there with her hammer and nails.

She loved the Lord and could quote scriptures for most any life situations that came about. Dorothy was a warrior and a great witness for the Lord. In her younger days she would make peanut brittle and sell it for the church door to door to all the businesses on Watt Avenue. She received the nickname as the Peanut Brittle Lady. She had a great sense of Humor.

Her favorite activity was fishing and camping. She mostly enjoyed ocean fishing. She could reel in some mighty big fish.

She was a dedicated mother, there was nothing she wouldn't do for her children.

Dorothy cared for her handicap daughter Helen up to the time of her passing.

She was a great cook and loved to feed whoever came by. Dorothy is survived by 6 children, 12 Grandchildren and 13 Great Grandchildren.

You have such a wonderful soul my Son. You have a heart of gold and I know that she knew that. She knew you loved her as I do from the moon and back. I was blessed to have such an amazing and caring Son. I love you more than you will ever know. Mom

Grandma Dorothy, words cannot express the heartfelt emptiness I feel knowing that you're gone. I know we did not see each other much and now that guilt aches in me more then ever. If there is one thing I can take from your time here on earth, I must admit, I didn't always agree with it, but it is the will to forgive and to forget. Thank you for teaching me that hate in my heart fuels the anger we all try to escape. I wish I could have seen you one last time to tell you I love you, but that time has come and gone. I know you held the VerBrugge family together like glue, fret not, I will step in and try my best to pick up the slack. Rest and forget all the woes that this life on earth is plagued with. Our time will one day come and we will meet again, where we can both exchange our crazy stories, but until then, I love you grandma.Love Kris

Sis. Dorothy attended Roseville Christian Fellowship for many years. She was a hard worker and cooked many wonderful meals—even when her shoulder was locked up. She was a gracious hostess and we always felt welcome in her home. May God comfort the family at this sad time. With love, Bro. And Sis. Hartley.

One of the most amazing women, the most kindest soul, generous, loving, courageous, strong willed, fun, self motivated, a Leader, dignified, always put others before you, you've taught me so much of the woman I am today, I'm proud and I'm honored to have known a love such as yours, I will miss our visits, our outdoor adventures and our conversations in between, I will miss your soft words of wisdom and harsh words of reality, most of all I will miss you greeting me at the door with open arms that beautiful smile, sweetest giggle and the home filled with the delicious smell of your amazing cooking. The most beautiful grandmother!
