I'm going to miss you Jerry. I grew up with you in my life and I am so happy to have gotten the chance to get to know you. I just wish I had more time to spend with you. Since I moved from Crescent City, Ca to Washington early 2014 I tried very hard to find contact information for you and Barbara but I was unsuccessful. Now all I have are the memories I have of the two of you. I love you and miss you and Barbara both dearly. R.I.P my good friend. One day I'll be in heaven to see you both again including my parents.
