Some you will always be in my heart..You are the son that I have always wanted and loved. My heart is heavy and in much pain right now. My son I will always carry you close to me. Your laughter I will remember. The love for your family I will always make me smile in my heart. I will be there for them. When you look down from heaven smile and be happy for us when we think or say your name. Knowing that God love you so much. Now that you are at peace. Love you so much forever and I will miss you forever until my coming home. Love God mother Mary!!!
