Oh Gram how I miss you! Everything about you! I'm so lucky I got you for 32 years! I'll cherish every memory from being a little girl and crying to spend the night at your house, you letting me drive you for the first time with my driving permit and my most memorable and favorite memory is the last time you saw baby Kenzie, you lit up so brightly it made me so happy and thankful for the childhood and adulthood Ive gotten to share with you. I will miss hearing you say "oh tut Sarah!" When I tell my exaggerated stories. I love you and we'll meet up again one day, I promise.
