My Uncle... The strongest man I've ever known. You will never know how grateful I am for you. You were the first and last one to "wet willie" my ear and I always "pulled your finger" when you asked. Haha. The countless times you've given me advice, told me I was beautiful and supported every decision I ever made... I will never forget it. You have been the rock in our family and you will forever be missed. My heart is breaking. I miss you and will always miss you. I hope you are playing horseshoes with my Daddy up there. I love you... I'll be seeing you...Your Caitlyn Rose
