My dad was absolutely amazing. He was my full back. If I ever needed advice I knew I could call him and he would be honest and tell me what is best for me. He was always standing behind me on anything I did. During the baseball season he was my number one fan. If there was anything that needed to be said he would say it. He always told me to find the best in things . Dad will always be watching over us. We will continue to make him proud. Rest in Paradise Dad.

From Middle Son, Brandon Graviet:

My dad was a great guy. He always wanted the best for everyone. He always gave me good advice and that helped me to where I am today and it will continue to help me through my life.

Dad never liked to just sit and do nothing he always needed a hobby and he had a lot of them.

Through the years Dad did everything from go-Carting to Paintballing to gold mining and that's just the beginning. Dad could do just about anything he put his mind to. There was never a dull moment with Dad! I will miss him so much. Along with so many other people. I love you so much..

From Daughter, Emily Nelson: My Dad was an incredible man. He was my go to handyman for anything I needed. I could ask my Dad anything and he would give

me the most honest answer. Dad adored our Dog "Precious" he loved her more than you could ever imagine. Everything that would go on, good or bad, he would always find the better. Dad was a very humorous guy, he and I could find a joke in any situation. A laugh is better than a cry. I love my dad with all my heart.

We will miss him dearly. Rest in Paradise.

From his Wife, Peggy Nelson: Junior is my soulmate and I know he will always be with me. He is my best friend. I know he is at peace now and I have comfort in knowing he is so peaceful now. Yes I will miss him forever. It is not good-bye cause someday we will be together again. I love you with all that I am Junior. You were the best father and husband I could ask for.
