Grafton, I just learned of Pauline's passing. I have so many wonderful memories of seeing both of you each time you came into the office for your regular dental checkups. Pauline loved to tell me how much she loved her ice cream, and which flavors were her favorites. I know you will miss her so very much, after 56 years of marriage. Thank you Jesus, we have promises to be together again! Carole Flemmer, Dr. Haun's sister
