## **Steven Wayne Torain**

MAY 10, 1977 - DEC 25, 2013

**S**teven Wayne Torain of Sacramento left this life unexpectedly on December 25, 2013. He was also known by many other names such as Big Steve, Stevie, Stiggs and Big Country. He was born in Burlington, North Carolina on May 10, 1977 to Linda and Walter Torain. Steven and his family, which included 4 siblings relocated to Sacramento in 1992. He was a proud graduate of Florin High School in 1995 and more recently obtained his degree of Bachelor of Science in Business Information Systems in 2011. He had been planning to return for his Masters degree. Additionally, he had several IT certifications. Recent employers included AT&T, AAA, Fujitsu, Dignity Health and more recently, he was a contractor for Sutter Health.

Steven met his wife Andrea through his job with AAA, and they were married on July 4, 2010. Nine months later, they were blessed with their first son Steven Walter.

Almost 2 years later, Jaden Andrew was born on February 4, 2013. His two sons were his proudest achievements, and he loved being a father. His hobbies included going cruising on his motorcycles, alternating between his Honda RR954 and Yamaha Road Star, toying with his gadgets and attending Sacramento Kings games as a season ticket holder, but his favorite past time was following his Washington Redskins. The off season was often spent contemplating and debating how his team could be better next season. He had dreams that his two sons would one day play for the Redskins, most likely as a left and right tackle.

He is survived by his wife Andrea, sons Steven and Jaden, stepchildren David and Annissa, his parents, brother Rodney Torain (Andrea), and sisters Renina (Kenneth), Kristy Torain, and Melinda Torain, nephew Trevon, nieces Brielle and Audrey and 2 family dogs, Rocket and Gismo. He is also survived by many cousins, aunts, uncles and friends.

I have so many memories of Stevie starting from the age of 12. He always use to make me laugh and making sure I graduated high school was always important(and I did graduate). As an adult, I've made many decisions, some good and some bad but in all my conversations with him, he never judged me but always gave me his wisdom, told me what I could do better, reassured me that I am a very independent, strong willed, hardworking person and I can get through anything and accomplish anything I set my mind too.I will always love and respect him for that and of course as a young girl, every Sunday morning on the way to church, him getting me Burger King(can't forget that). I know The Lord has a plan for us all but this is a hard one to except. I didn't see you or talk to you all the time but no matter what, my thoughts of you were wonderful. I'm heart broken because it's been a while since I saw you and I didn't get to say good bye but as your little cousin, I will always remember the wonderful man you were and love you with all my heart. You are truly missed and I will never forget about you. I Love You and Rest In Paradise Stevie ??

I will always hold dear to my heart the time I got to spend working with Steve. His upbeat spirit and timely jokes always made for a fun work day and we all know he would have whooped Shalmeen at a race. But Steve was the proudest when talking about his family; his love for his wife and children shined bright on his face. You will truly be missed my friend. "I like tacos"
