Aunt Virginia, you were so loved. I have so many wonderful memories of you throughout my entire lifetime. You were always so much fun to be around. I know you're with other family members who passed before you now and that you're teasing them and making them laugh. I will miss you until we meet again. With love...Terry

Mom, You are beautiful. I will always treasure this picture. It was your "80th" birthday. You shared your special day with your family. We miss you more than words can ever say. How did we get so lucky to have you as a mom, grandma and great grandma. When god passed out "moms" I won first prize. I love you mommy. Love, LaVonne
