I will always remember Uncle Jimmy's smile. He had the kind of smile that would light up the room! All the parties that we would get to see him at he would be shaking what his mama (our grandma) gave him ?? Love you, Uncle Jimmy! You will never be forgotten.

Uncle Jim, I can't believe the day has come when we will not see your smiling face at all our family gatherings. You are truly the heart of the Gutierrez family and we will miss you always. My fondest memories is hearing you call me "Reeesa!! How you doin?" Or your famous whistle. Mostly all your jokes, you would have me rollin. Your heart so kind and smile that lit up anyone near you. I love you and will miss you so much! Now you all have quite a gathering up there with Gramma! Until we see you again!! Love you!

One memory i have of my grandfather, other than the endless laughs, was the "frog" in his arm. Lol as young as i can remember he would say check it out theres a frog in my arm then flex his biceps and say "Ribbit Ribbit". Heck he did that even when i was an adult ??
