So many memories how could I choose just one? He was such a man's man but he would sit at the table and let me brush his hair and put curlers in and just smile! He even let me take his picture! He taught me to ski and fish and made me love camping even though he made us go soooooo much :)! I loved him very much.....and even though we haven't spoken in many years my heart misses him very much!

I have lots of great memories of camping & fishing at Lake Camanche with my Grandpa Bob. One time him, my Dad & me went out night fishing on the boat & these two guys fell asleep. Both of them were passed out snoring while I was fishing & all I could do was keep fishing until they woke up. lol Grandpa you are forever in my heart & you will always live on in my memories. See ya on the Big Lake one day.
