I can remember one mother's day as a child I came to you crying telling you that I missed my mom and you said to me that I'll always have a mother through you. This woman gave me everything. I would have been lost without her and uncle Wayne. I miss them both so much. I miss uncle Wayne coming home and I'd pull of his boots for him and I'd set next to the wall heater while he rocked away in his chair reading the bible out loud to me.
