I was so blessed to have you in our lives, you were my sounding rock, my best friend and family. You are one of the few people in my life that I love and trust unconditionally. How do I say goodbye to one of the most important people in my life? I can't. My world is a much better place because of you and I can't thank you enough for the support & love that you and your family have shared with Shawn over the years. There is no one that can fill the void you have left behind but as wise little Kaiya would say "You are right here in my heart and I will never forget you." Love you Steve and miss you more than you know. Love Jackie
