You lost me, friend. After all, I imagine I purchase what you're saying. I recognize what you're saying, but you just seem to have forgotten that there might be some other folks within the world who view this concern for the purpose it truly is and may perhaps not go along with you. You might be turning away a lot of those who could have been lovers of your website.

Our thoughts and prayers are with the family as you celebrate the life of a truly amazing woman. It is said that we will be known by the fruits of our labors and the children from this family are a blessing to the world. She is rejoicing in heaven knowing her beautiful family will continue her legacy. With Love and Prayers, Barbara and Bill George (Gayle's Sister and Brother-in-Law)
