I love Herbert. especially when he made my Sister Happy. He told me he prayed to God for her, well she was his until the end. I will especially miss his sense of humor. I pray all that loved him will be comforted with the fact, that he is no longer suffering. My prayers are with you all.

To the family of Herbert Scruggs May it comfort you to know that Herbert is now at peace. In ways big and small Herbert life changed our world and left it a better place and touched too many hearts to ever be forgotten. May you find comfort in knowing how many people share your sadness. Blessed are those who mourn for they shall be comforted. May it be a source of inner strength to know that there is a loving God watching over you and that throughout this time of need, He will stay close by your side. May the memories held deep within your heart, help to soothe your spirit. May you always be in harmony with the beauty and wonder of God's world and his peace surround you at this difficult time. Remember, God will take care of you and will give you rainbows after the storms. When absent from the body means Herbert is in the present of the Lord. With deepest sympathy, Rev. & Mrs. W R Lee Durham, North Carolina
