Gary Castro posted:

Gabriel was a beloved nephew. It hurts me to see a family member die so young. I will always affectionately remember him by a name I gave him years ago when he was a little boy, Bird Dog. How I enjoyed teasing him with that name. We had some good times back then. In time the former things of this old world (pain, suffering, even death) will pass away and the dead will be brought back to life in a peaceful one (Revelation 21:3,4), and Gabriel will be there to greet us. Until then, Good-bye Gabriel. Love, Uncle Gary

Losing a loved one is never natural and Gabriel is my dear cousin...we will always and forever miss you! This is in no way trying to promote anything, this is something that I like to read when someone close to me has passed away and I am sharing my way of coping with you....helpful article:
