Hi Christian It is our understanding that FLOCK is otearping in Searchlight, NV. FLOCK is very resilient. They were originally otearping a facility in PA, but were banned from otearping an animal rescue there. Prior to opening their facility in Pahrump, they were located in Sloan, NV. They were cited for having too many cats at that facility and that is when they moved to Pahrump.

Its been a few months now since you left us. I am ever so grateful that I got to see you one last time... that memory will live in my heart forever. You were always loving to us grandkids... and catering... sometimes to a fault. Like I said that night... I love you very very much. I miss you. I have comfort knowing your one step closer to the ultimate goal... eternal life. I love you.. so so much. Give my love to Grandpa... even if he's grouchy. I bet if he saw you... he'd say" Lois, what took you so long?"...Give my love to Joey and Liz too. Love always....You oldest grand daughterGini
