Donna has been a friend of my daughters for 25 years. I have known and loved her for all that time. Her quite demeanor and sweet disposition was beyond words. I would always asked my daughters "have you talked to Donna" and if they say "not in a while" I'd say call her. I felt like a 2nd mother figure to her always wanted to be sure that she was ok. R.I.P. sweet Donna, you will be greatly missed.
