Donna was a special lady. She'll always have a place in my heart even tho I had not seen her or contacted her in more than 30 years! I was a teacher at Orchard I taught 3rd grade. I'll always remember Donna as she seemed to really care about all of us-kids and staff. Always with a smile and a kind word. I still have her recipe for her fruit cocktail cake. I plan to make it this week in her memory. She took care of us all I have good memories of your mom!
