Lela Ann Baker

JAN 15, 1935 - MAY 25, 2020

Lela Ann Baker was born on January 15, 1935 to Hassell and Lorena Brown in Dennison, TX. She received her wings after a short battle with an aggressive form of pancreatic cancer on Monday, May 25, 2020 while at home with her caregiver niece, Shirley.

She was a loving sister and aunt. She attended Macedonia MBC under the leadership of Rev. E.L. Vanardo where she served on the Usher Board, Mother's Board and the Women's Ministry. After retiring from Rancho Seco after over 18 years, she often combined her two loves -- family and travel -- and traveled out of state to visit family and friends. She was the heartbeat for each of us, especially as our own mothers passed.

She leaves to cherish her memory one brother, William Brown, Sr. from Sacramento, CA, a special daughter, Dorothy Jean and a host of nieces, nephews, cousins and friends.

Thank you for all the conversations we had over the years, One memory I have of you is when , we all lived on High St. A fight broke out in front of her house between youths, she went out and split up the fight I was so proud ,because my auntie had just saved a kid that was getting beat up.I spent the night with you as I was preparing to move , I was waken by you praying for me

Aunt Lela, our last Aunt of the Dallas Brown siblings. She was dearly beloved and will be sorely missed. I was 8 days shy of being your birthday niece. Rest in heavenly peace, Auntie. Virginia "Rene"

I love you Auntie. I keep wanting to call you to let you know I cooked and was going to bring you a plate, and then I remember you're not there. I miss you so much, but I know you are no longer in pain and God don't make no mistakes. Butterfly kisses to the generations there.

I will miss being able to call Aunt Lela and forgetting to mail any letter that I had written her. There was no one who could call me "Chris" quite like her. She did not bite her tongue, but also never failed to say that she loved you.

Aunt Lela was always a warm and caring person, she always had a smile on her face and although she was not my biological aunt she always made me feel like family and welcomed me as she did her own. Until we meet on the other side, may you rest in God's loving arm. Truly an Angel gone too soon. 💜
