Bob, you are my best friend, love of my life, and I am so thankful for all our years together. I always said you were the smartest man I know, and I'll surely miss your guidance and advice (even though I didn't always listen). I truly believe Art Torres met you on the road to Heaven so you two could laugh and reminisce along the way. AJ met you at the gate with his bottle of 409 to make sure you were clear of any illness (lol), and Dick. your family and friends, and your dogs were all waiting to welcome and comfort you. I will love and honor you for eternity.
