There is not enough that can be said about such a wonderful person. She has always been my rock through a lot in my life. My favorite memories were when we lived in Germany for 5 years. She always made every trip more fun to be on with her amazing positive attitude. When we lived Stateside it was fun when she would get us lost in the inner cities haha. I always loved hearing her stories from her childhood, and all the cool things she got to do. When I was deployed she was always my biggest fan and support. There cannot be enough said for her commitment to helping raise my son while I was in the Military. I owe everything to her, and I hope she can look down on my crazy life and still have that awesome laugh. I thank her for everything that has put me where I am today, and will miss her until the day I leave this body.

Dear Walt, Patrick, Daniel and Evan- A few memories that stand out the most of the times I spent with Kathy: definitely her laugh and sense of humor, how welcoming and kind she was from the first day I met her, her love of animals- silliness with Milli and Axl- but mostly her love for her family- telling stories about her parents, the crazy adventures of raising Patrick and Daniel, how she met Walt and created a beautiful relationship and by far her love for her Mr Boo (Evan) Sending our love to you all, Beth and Angelo
