My dear friend, you have left a big empty space in my heart and my children. You came into our lives at a very difficult and challenging time. But you made sure we knew we were loved. You will always be my very special and dearest friend. Will love you forever.

I will miss my play brother. He has my heart forever. He made sure that I had every car I ever wanted. I pulled out my Red Franklin Covey organizer that he bought me. He told me to keep my appointments organized because one day I would be the boss and he was so right. I love you James forever.

James was my brother and my family loved him so much. God brought him back into our lives when we really needed him. He was always willing to help others and went above and beyond to do so. Though we miss him so much we are thankful for the time God allowed us to have him. Until we meet again..

James hired from the street to sell cars at corporate Motors. Great guy, funny and knew his job well. I made career, moved up, raised my kids, and gave them a good life. All because of you my friend, you gave me the opportunity. Love you brother. You will be always in my heart. You left us way too soon. RIP Cesar Santos
