# Maliek Blake Jasper

AUG 7, 1999 - OCT 11, 2021

**M**aliek Jasper was born on August 7, 1999 to Dana Lawrence and Benny Jasper at St. Luke's Hospital in San Francisco, California joining his big brother Devin Jasper, who remarkably shares the same birthday.

Maliek was a beautiful baby. His big bright eyes beamed light and added a joyful presence to the family. It was clear when he was just a toddler that he would be the family comedian, unaware of how hilarious he truly was.

Having been blessed with that gift, Maliek could lift the spirits of any who surrounded him, friends and family alike, and make others laugh without even trying. This gift we will all miss profoundly. Maliek's athleticism was discovered at a young age and he was able to develop his skill playing pop-warner football with his brother on a local team in grade school, no doubt inspired by his favorite football team, the San Francisco 49ers. The family enjoyed watching the boys play football together. Maliek graduated from High School in 2016 and took a running start towards the rest of his life! He knew what

he wanted right away – a family of his own. So, in the years that followed, Maliek met and fell in love with Jamila Lensa and in February 2020 took her as his wife along with her beautiful daughter, Mimi. Shortly thereafter, they welcomed the birth of their son Amaree Asaahn, completing their little family. Maliek was a proud father to both of his children and had big plans to do his best for them. His mother Dana appreciates how Maliek could make her laugh... even when she was

mad at him, it was never for long because he'd always find a way to make her laugh " Maliek was generous with his compliments and making others feel good." She misses his tenacity, that no matter how hard things got for him, he would get back up, brush himself off and try again and that he always had a positive view of things. His brother Devin loved and will miss how Maliek could make everyone laugh. His aunt LaShay and her son, and his cousin Micah, remember fondly how determined Maliek was to finish whatever he started, even his homework! He also taught Micah how to ride a bike. His Grandmother Gloria aka "GG" will miss his presence when they took family trips together, playing cards and just being together. His cousin JC had this to share: "My cousin Maliek had an incredible soul and a childlike innocence that was infectious. I look back at the times when we traveled on family vacations and being together as youngsters in Stockton, it just always felt like home. He was a great energy to have around. I'll never forget one night when we were out late in New York in Times Square, just laughing for hours and making the best memories. I'm blessed to have those to reminisce on and will hold those dear to my heart." Maliek loved his family and he loved Jehovah God and was taking steps to reflect that in his life. Heartbreakingly, Maliek took his last breath on October 11, 2021. He leaves behind to grieve his absence his wife Jamila Lensa Jasper, his son Amaree Asaahn Jasper, daughter Marita "Mimi" Olebar, his mother Dana Lawrence and her husband Elbert Veroan Lawrence, his father Benny Jasper, his brothers Devin Jasper, Benny Jasper Jr, Benny Jasper Jr the III, and his sister Briyana Jasper, his grandparents Gloria and Harry
