In Loving Memory of Danelle Julia Brown Roseville, January 2, 2024

It is with heavy hearts that we announce the passing of Danelle Brown, a beloved wife, mother, grandmother, and great-grandmother, who peacefully left us to be with the Lord at the age of 85 on January 2, 2024.

Born on May 11, 1938, in Nevada City, California. Danelle was the daughter of Dan and Nell Asnicar and sister to Diane Daniels (husband Rich Daniels). She dedicated her life to shaping young minds as an elementary school teacher, leaving an indelible mark on countless students over the years. Her passion for education and nurturing young spirits earned her the admiration and respect of colleagues, parents, and generations of children.

In 1962 Danelle embarked on a lifelong journey of love and companionship with her devoted husband, Jack Brown. Together, they built a home filled with warmth, laughter, and enduring love. Danelle is survived by her three children, Kathryn Culp (husband Rob Culp) Jennifer Mehaffey (husband Scott Mehaffey) and Daniel Brown (wife Leslie Brown), who will forever cherish the memories of a mother whose love knew no bounds.

Her legacy extends beyond her immediate family, touching the hearts of six grandchildren (Jaclyn Culp, Jillian Goyet, Shelby Caldwell, Mekayla Mehaffey, Jordan Brown and Gracie Brown) and six great-grandchildren (Hank and Callen Goyet, Sutton and Quincy Lockling, and Eliza and Maizy Caldwell). Danelle found immense joy in family gatherings, where her wisdom, warmth, and sense of humor created an atmosphere of love and togetherness.

Danelle was an active member of the Grass Valley Rifle Rod and Gun Club's Women's Auxiliary for more than 25 years.

Beyond her dedication to education and family, Danelle had a myriad of interests that brought her immense joy. She was an avid embroiderer and sewer, creating beautiful quilts and clothing that will serve as cherished mementos for her loved ones. Her love for games brought hours of fun and friendly but fierce competition at gatherings with family and friends. (She won most of the time because she kept score! lol) The kitchen was another realm of creativity for Danelle, where her delicious baked treats became a source of delight for all who were fortunate enough to

taste them.

Traveling was another passion she pursued with enthusiasm, exploring different cultures and creating memories that will be treasured by her family for generations to come. From scenic landscapes to vibrant cityscapes, Danelle embraced the beauty of the world with a spirit of adventure that inspired all who knew her.

As we mourn the loss of a remarkable woman, we also celebrate the legacy of a life well lived.

Danelle's kindness, compassion, and unwavering love will live on in the hearts of those who had the privilege of knowing her.

In lieu of flowers, the family requests donations be made to Dolly Parton's Imagination Library in honor of Danelle Brown.

A Celebration of Life will be held at a later date where family and friends will gather to remember and celebrate the extraordinary life of Danelle Brown. May she rest in eternal peace.

I knew Danelle from the third on. She was a great friend and playmate in those years. When I broke my arm in high school, Danelle carried all my books for me for two months. I was on crutches. That was a true friend. I have wonderful memories of both Danelle and Diane. so sorry she is gone. Jane Farrell Irvine. sorry for the typo-I meant third grade when we first met.
