## Gary Raymond Hooper (August 26, 1946 - November 13, 2024)

Gary Raymond Hooper, a larger-than-life figure with an infectious personality, passed away on November 13, 2024. Born on August 26, 1946, Gary's life was marked by his significant achievements and unwavering integrity.

His career in the Bio-tech field was marked by immense success, showcasing his brilliance and drive.

Gary was a dedicated Navy veteran, breaking barriers as the first Black regimental commander. His passion for golf and love for traveling the world, both for business and pleasure, added to his rich tapestry of life experiences.

A social gentleman, Gary had the rare gift of connecting deeply with people from all walks of life. His honor and integrity were not just personal traits but values he instilled in his beloved children.

Survived by his cherished family, Gary will be remembered as a high achiever, a man of great honor, and a loving presence whose memory will be treasured forever. His legacy will continue to inspire all who had the privilege of knowing him.
