Zachery Ryan Taylor
Born January 2, 2005
Died April 22, 2025

He rode fast, lived free, and now he soars even higher into eternity. Though our hearts ache, we trust he rides with the angels, held in the arms of our Savior.

I know we're not supposed to question God but I can't help but to ask why lord did it have to be Zach? Zach was the one out of the bunch that would do anything just about for anyone! He became a part of our family and sometimes we had our differences but I loved him like my own . I will cherish the time we had with him and will miss him terribly, until we meet again Zachary. RIP! Your mother in law! (He used to say) love Kelli

Will always remember this day we spent @ Mahany Park, Jenga & pizza at my house. Fun day with Zach & Jonathan. He came over last year for dinner and changed a couple light bulbs way high up for me. Appreciate his kind heart doing that for me. Love you forever Zach! Gramma Cyndy

One of my fondest moments was the day he was born. So cute and perfect. I am honored to have been there throughout his young life. Being able to watch him grow from a cute lil kid to the smart assed adult he became. Love you kid forever and always.
