I have many memories of Marlene .One that i think of often were our camping an fishing trips to Collins,Lake.When we were on the water she would lay on the floor with the dog next to her and read her tattle tale papers.She would be propped up in a comfortable position dog ,paper and a sodaenjoying the day.It was nice to see her like that.We had several camping trips to Collins.Marlene „you are loved by many and will be missed so very much.
