## **Joe David Estrada**

MAR 26, 1979 - MAY 14, 2025

**J**oe David Estrada, lovingly known as "Chuck" to his brother, "Buddy Owens" to his father, and famously "Joe Patron" to all his friends, passed away in Sacramento, California on May 14, 2025, at the age of 46. Born on March 26, 1979, in Sacramento, California, Joe was the beloved son of Andrea Martinez and the late Arthur Estrada.

Joe grew up alongside his older brother, Amadon Estrada (who preceded him in death), and his younger sister, Jennifer Estrada. He was also a brother to Michael Estrada, Randy Baeza and Monika Cabrera. As a child, he was known for being a bit of a crybaby, but he also had a heart full of love and a laugh that no one could forget.

He attended Johnson Elementary, where he began his love for basketball, followed by Rio Tierra Junior High and Rio Linda High School. Though he didn't complete high school at the time, Joe was proud to later earn his GED. Joe met Melinda in middle school in 1994, and together they welcomed their daughter Juliana in 1998.

In 2002, Joe met Joann; they married in 2006 and went on to have three children: Joe David Estrada Jr. in 2006, Julian Estrada in 2007, and Johanna Estrada in 2012. Though they later divorced, they continued to share the love of their children.

Though life brought its challenges, especially in his later years, Joe loved his children deeply and always held a special place for them in his heart. Joe had a generous spirit-he was the kind of person who would help anyone and be there for everybody. His kindness, humor, and unmistakable laugh left an impression on everyone who knew him.

He is survived by his children Juliana, Joe Jr., Julian, and Johanna; his mother Andrea; his sisters Jennifer and Monika; his brothers Michael and Randy; and extended family members and many friends who loved him dearly.

I don't know how many times, as I was falling apart, joe would always pop up and make any bad day fade away... if not through his always positive words and advice to whatever situation I was going through, crying about, dealing with or on a rampage about... then through his over all positive presence and if need be his brutally honest opinion of whatever the hell I was going thru or mad about... even if it meant telling me I was trippin or in the wrong he would do so but in such a positive way u really had to step back and see that maybe he's right.. Joe Estrada i miss you fool... im gonna miss you more than you really know or that i let be known... truth be told you were one of the best people, best men I have ever encountered in my life and I had grown to truly love u and appreciate everything about you, your honesty, your good heart, your good nature that always saw the good in people even if there was no good to see in someone.... and never had a bad word to say about even the worst of people... u just never had a bad thing to say... I wish you would have come to see me in the south I truly regret never saying anything or insisting u come see me... I LOVE YOU JOE ESTRADA you are a wonderful soul that will always live through all the people and hearts u touched.. and you will be missed... till I see you again my friend just know I love u.... I wish I just gave you the word... lol u know what I mean joe... love you fly high and rest easy JOE ESTRADA.... LOVE ALWAYS YOUR HOMEGIRL MARIA

I've grown up with Joe Estrada since junior high school and we've been friends ever since but we were more like family. Also grew up with art and his sister Jennifer. When his mom left out of town he some cool parties and the next day we would clean up the house like nothing happened and had to throw all the trash away at stores by his house so his mom wouldn't know lol im sure she knew. But one of the funniest memories was when we were teenagers and we smoked the good Maryland and he couldn't stop coughing cuz he was having a asthma attack 🤧🤧. So we had to call his mom and she had to bring it or take him to the hospital. We said it was caused from running 🤧🤧 RIP JOE. ESTRADA
