October 29, 1956 – September 18, 2025

Marysville

Sue Ollar-McLeod, age 68, was born in Marysville, CA and passed away on September 18, 2025 after a three-year battle with esophageal cancer. She is survived by her husband of 26 years, Robert; her son, Brandon Ross, and his wife, Shannon; and her grandson, Logan. She is further survived by brother, Bill Ollar, his wife, Lisa, and son, Patrick; as well as two sisters: Deborah Keeney, her son James and his wife Matejika with their daughters, Mia and Lily; and sister Lee Ann Ray and her sons, Kyle and Kellen. She is also survived by sister-in-law, Cecilia Gabrielson and her daughter, Catherine, and sons Richard and Joseph. Sue was preceded in death by her half-brother, Richard Gabrielson.

Sue began her work career at age 13 by picking tomatoes during the summer months to buy clothes for school. In later years, she sold insulation throughout northern CA, worked for the Yuba City Employment Development Department, and began a career in residential property management that led to opening her own company, On-site Property Services, where she remained for the next 25 years. During that time, she also sold homes for Pulte, Inc. Sue combined courses at Yuba College with those at Sacramento State to receive her AA Degree. She went on to earn a BA Degree in Women's Studies from the University of San Francisco.

A devoted wife and mother, Sue dedicated her life to taking care of her family above all else. She leaves behind a legacy of unconditional love, resilience, and hard work, all with kindness and a generous heart. Upon hearing of Sue's death, family, friends, and property residents whom she managed expressed it this way:

**Bonnie Powell** sent a virtual gift in honor of Marilyn.

I have known for Sue for about 35 years and she has always been one of the most fundamentally kind, empathetic, honest, (the list goes on and on) special people I have ever had the honor of calling friend. No matter what was going on in her own life at any of a million different inflection points over the years, she never lost the art of making you feel like you and your life were of vital importance to her. I have a million good memories of my times with her over these many years and was so happy that she and Bob met and spent so many happy years together. She deserved every good thing that ever came her way plus a million more. She was a force to be reckoned with on every level and was the epitome of the saying that the best things can come in small packages...she was truly a dynamo and no more so than when she was taking care of her family and/or defending what she believed was right. The world is truly a bit darker without her in it but I know the halls of heaven are now brimming with light and love, much the same as that she left in our hearts and thoughts. My love and deepest sympathy to Bob, Brandon and the rest of her loved ones. Farewell with loving thoughts Ms. Susie-Q...mayhap to meet again someday I hope.
